

ZAMORA SHRINE MOSQUE

Birmingham, Alabama

40' diameter TEMCOR Aluminum Dome

DESCRIPTION: The 5/8 spherical dome is supported from steel framing 53 feet above the interior floor level. Its exotic appearance is enhanced by a gold metallic paint finish baked onto the dome's exterior. Mill finish aluminum frame members inside the dome are exposed to form a triangulated pattern in contrast to the white fiberglass insulation that covers the dome interior.

OWNER: Zamora Shrine Temple A.A.D.N.M.S
Oasis of Birmingham, Desert of Alabama

ARCHITECT: Evan M. Terry Associates, P.C., Birmingham, Alabama

DATE OF CONSTRUCTION: 1996
